## It is Spring-Cleaning Time!

As the season changes, this is an exciting time to get ready with some “spring cleaning tips” for your home and yard. We want to help keep the community looking its best for all to enjoy as summertime approaches, and to help keep property

To keep the homeowners at The Peninsula up to date with some of the basic upkeep and neighborly matters of the community, The Board of Directors has produced this “spring cleaning” newsletter summarizing the most usual questions and complaints we receive from residents during the year. We hope you find it helpful.

For more information go to

[www.thepeninsulaho.net](http://www.thepeninsulaho.net)

Community Yard Sale Saturday May 20<sup>th</sup>, 2023. Watch for posting on the event.

## Cleaning Tips

### Maintaining Your Home after the Winter Months:

As our homes begin to age, we can see that time has affected many parts. Now is the time to give it the loving care it needs. Let us do some cleaning and repairs to help maintain our homes, looking and working its best for our enjoyment and the beauty of our community.

#### Paint shutters and doors

– this is the time to refresh those worn out or faded shutters and front doors that have been exposed to the elements for so many years!

Well maintained

Landscaping,

A clean home and yard

Pressure washing - spring is a suitable time to get the mold and winter grime off your home and fences.

will help spruce up a home's exterior and curb appeal.

#### Weather treated wood

– replace old broken worn wood barrier, garden areas, fence boards, mulch.

Mowing – Prepare your mower. Clean parts, sharpen blade. When we begin the mowing season remember to pick up the grass clippings from streets driveway and walkways.

Mowing and maintaining your lawn on a weekly basis during the spring's growing season can keep your lawn looking its best. Remember to keep lawns no higher than six" (soda can height). **NOW is the time to take care of your weeds and bare spots, rake, pull, re-seed!** As a courtesy to your next-door neighbors, please do not start mowers until 8:00-9:00am especially on the weekends.

Weed planting beds – Adding fresh mulch always adds an extra punch. While you are at it, why not plant some spring flowers to help add to the beauty of your yard and its curb appeal. Make sure to trim and remove old plantings around your foundation.

**Reminder:** Leave a minimum of one foot of clear space between plantings and foundation. Termites are prevalent in this area and keeping mulch and plants away from your foundation will help to keep the termites away.

# Architectural Changes

As a Board and as your neighbors we love to see you improving your homes. Whether it be a new exterior color, fence, adding a deck, or building a storage building, did you know that per our covenants and by-laws, approval from the Board's architectural committee is needed **before** you start your project?!

## Website

The Architectural request form is located on our website: [www.thepeninsulahoa.net](http://www.thepeninsulahoa.net)

Arch request, By-laws and Covenants can be found in the "Documents" section of the website.

## Paperwork

Along with the request, we ask that you provide a description of the work to be done including plans, (paint color for shutters, doors), and materials to be used. It is best to err on the side of too much information.

- **An Architectural Review Request** Form must be submitted and approved BEFORE any improvement is made to your home including:

- **Exterior painting, roof, or gutter replacement** – all maintenance will be to the neighborhood standard as stated in by-laws.
- **Outbuildings (sheds)** - metal buildings are prohibited. One shed per Lot.
- **Walls and or fences** - metal fences and or poured concrete walls are prohibited.

## Property advice >>>

### ANIMALS

Excessive barking will disturb neighbors. Please be courteous and mind the hours your dog is outside at night. Barking is also considered a nuisance after certain hours.

Pets (dogs), **need to be** leashed while walked throughout the neighborhood.

All animal waste **must** be picked up immediately then disposed of at the pet owner's property or in appropriate trash receptacles the Association provides.

For more information go to [www.thepeninsulahoa.net](http://www.thepeninsulahoa.net)

# Trash Toters/Sanitation

Please **do not** leave your trash cans / toters out for more than 24hours. Place them behind approved barriers on the side of your home, in your garage or behind your home.

## Trash Toters / Sanitation

In accordance with County ordinances, 'trash containers should be removed by 7PM evening of pickup'. **Please, do not leave your toters out longer than a day after they have been emptied.**

**Trash cans/ (toters)**, garbage bags or recycling containers may only be stored in homeowners' backyard, beside their house (concealed by an approved barrier) or inside their garage.

To help with our children's safety, please do not park your automobiles on the city streets, all automobiles need to be parked in your driveway or inside of your garage. Our children are out riding bikes, and they must go out into the streets to get around automobiles. We also have parents pushing strollers that can face the same problem getting around parked automobiles.

# Basketball Goals

As a reminder the **city of High Point and Guilford County Roads statue (sec.136-91): no injurious obstruction in or upon any highway or public vehicular area is allowed.**

The HOA asks to keep children safe at play. Please be cautious and watch where you place basketball goals. Keep them in your driveway or on grass away from curb and street. Please make sure not to intrude on neighbors and not to cause any hazards on the streets.

Thank you.
